THANKS!!

August pat on the back goes to Barbara. Thank you for giving up your Sundays to man the office on our forest racing days...often in less favorable weather.

And to all the other volunteers that make it happen, it really is appreciated.

REMINDER

Please take all your rubbish home with you from the forest. Rubbish left laying around has been getting worse each meeting. Lets make an extra effort to leave it just as we found it so we can continue to enjoy the use of the forest in times to come.

Reminders & News

Please remember to ensure your overalls used for racing are within the recommended safety regulations

“Overalls are to be clean protective one-piece overalls, with close fitting front, cuffs and ankles and manufactured only in fire retardant or self-extinguishing materials. Note; Pure cotton is deemed to be self-extinguishing for the purpose of this rule”

This is a safety issue....YOUR safety. Any other materials used could effectively “shrink wrap” in the event of fire.

THEY WILL BE CHECKED AT SCRUTINEERING NEXT EVENT!!

BATHURST 2011. We are looking at organizing a Bathurst Day with a big screen. Any suggestions and or offers of a venue would be greatly appreciated. Lets make a day of it. Let Amanda or Nicky know. Our contact details are on the back page.

Does anyone know the whereabouts of our Club Banner?? We still have not located it. Please let a committee member know if you know where it might be.

Our sponsors get an advert in race day programmes, plugs over the P/A on race day, advert on our website and a chance to be our major sponsor at no extra cost (Conditions apply).

If you own a business or work for a business which would like to support the club through **very affordable** sponsorship please contact Nicky Reynolds or Amanda West to discuss the options.

FENCING

If you hit a fence post at the forest, please make it your business to let a committee member know. Fences need to be repaired on the day.

A post can be purchased for \$15 if you dig the hole and replace it. If you leave it to us to repair you will need to pay \$25 per post.
