SCRUTINEERS

With the departure of Dave leaves us without our Head Scrutineer. We are looking to urgently fill this before the track season commences. Applications are open to those who are familiar with all the Club Rules and Regulations and have no less than 3 years Automotive Mechanical Experience. For more information about what it involves or to make an application please contact Nicky.

We also require some support scrutineers. Any interested parties please put your name forward to Nicky also, to offer safety check support to our Head Scrutineer.

With out these positions filled we will not be able to race, making this an urgent request!!

THANKS!!

Thanks to you, Ryan Turner for picking up our First Aider so our race day could get started as planned.

And to Owen, you're doing a great job as Clerk of the Course out at the forest. Thanks!!
